SDG1: NO POVERTY

1.3.1 Does your university as a body have targets to admit students who fall into the bottom 20% of household income group (or a more tightly defined target) in the country? (domestic)

Bottom Financial Quantile Admission program

The program targets students whose income is less than the poverty line in the governorate, based on poverty statistics issued in general, according to World Bank statistics for the year 2022. Since we live in a country where unemployment is increasing and affects poverty, Al-Mustaqbal University presented plans to accept students into the university.
