SDG1: No Poverty

1.3.3: Does your university as a body provide support (e.g. food, housing, transportation, legal services) for students from low income families to enable them to complete university?

Low-income student support

1. Al-Mustaqbal University provides free transportation is specified for the target student. modern buses help low-income students You can reach the university in a certain time.

Al-Mustaqbal University announced the purchase of modern buses to transport students from areas in the city of Hilla to Al-Mustaqbal University, free of charge. The President of Al-Mustaqbal University, Professor Dr. Hassan Shaker Magdy, said that within the university's ongoing plans, which include among its priorities, providing the necessary services to students, we directed the provision of modern

transportation buses, whose mission will be to transport students. From different areas in Hilla to the university building, it will be available to everyone without fees

The university Al-mustaqbal mass transportation buses to transport male and female students from their residences to the various university sites and vice versa in a circular manner and within a timetable. The university developed clear plans in terms of services for its staff and students, including primary safety and the provision of ambulances and civil defense vehicles. The university will also be reinforced in various stages with large transport vehicles and buses, which will be Serving male and female students during official working hours and at the end of work, back and forth.

2. support for students'

The university seeks to expand and continually improve the comprehensive health service provided at the university, including the provision of a specialized ambulance, in order to provide therapeutic and medical services at a high level of quality. To reach the following cases, go in the short term to the nearest specialized medical center, based on the university's approved plan, which has capabilities at all levels for the safety of students and all employees working within the university.

3. Distribution of student supplies to low-income families.

Under the slogan of your giving, our giving continues

Al-Mustaqbal University College prepares 200 Ramadan food baskets to help needy families. In implementation of the first goal of sustainable development (eliminating poverty) during the days of the holy month of Ramadan, the Central Student Division at Al-Mustaqbal University College organized the second campaign to prepare Ramadan baskets in cooperation with the academic departments and the Women's Empowerment Unit. The campaign aimed to distribute food baskets in random areas of Babil Governorate to needy families during the holy month of Ramadan. The campaign included the distribution of approximately (200) food baskets containing most of the nutritional needs. This initiative comes from the college's keenness and dedication to providing support to needy families with the exceptional circumstances the country is going through. It is noteworthy that Al-Mustaqbal University College seeks to organize many campaigns to distribute Ramadan baskets, stressing the importance of caring for and embracing this class of society, and highlighting the humanitarian aspects of educational institutions to be the basis for building their systems.
