### **SDG1: No Poverty**

**1.3.4: Does your university as a body have programmes or initiatives to assist students who fall into the bottom 20% of household income group (or a more tightly defined target) in the country to successfully complete their studies?**

Bottom financial quintile students support

Al-Mustaqbal University always strives for the best to support students' success in obtaining job opportunities with the goal of eliminating poverty. The university has provided many opportunities, including:

1. Supporting talents that provide financial returns for the individual.
2. Opening investment projects for graduates, such as a supermarket inside the university, a cosmetics store, an electronic library, and a library for selling stationery.
3. Handicrafts and painting exhibitions in order for the proceeds to support low-income families.
4. Babylon: The Iraqi Red Crescent, Babylon branch set up a first aid workshop for students of the Future College, Department of Business Administration, the workshop included an explanation of the principles of first aid and methods of relieving and transporting for each casualty
