**SDG1: No Poverty**

**1.3.4: Does your university as a body have programmes or initiatives to assist students who fall into the bottom 20% of household income group (or a more tightly defined target) in the country to successfully complete their studies?**

Bottom financial quintile students support

MUC is keen on the belief that success is inclusive to all students. Therefore, there is a solution to any obstacles and issues that face any student in which they are related to financial and daily expenses. In kind support as well, financial support is provided to ensure that students need not to worry about anything but success.
