## 17.2: Relationships to support the goals

17.2.1: Does your university as a body have direct involvement in, or input into, national government or regional non-government organisations SDG policy development - including identifying problems and challenges, developing policies and strategies, modelling likely futures with and without interventions, monitoring and reporting on interventions, and enabling adaptive management?

Yes.

MUC has hosted the annual meeting of the Babylon's Sustainable Development Committee at which we have discussed the latest progress and actions related to the implementation of the Sustainable Development Goals at Babylon Province. At this meeting, MUC has shared its views, strategies and offered to provide the policy makers in Babylon with the latest research, and know-how to tackle the issues that the province is suffering from.
