17.2: Relationships to support the goals

17.2.4: Does your university as a body, through international collaboration and research, review comparative approaches and develop international best practice on tackling the SDGs?

Yes,

- MUC has become [a member of the THE CAMPUS+ partners](#). This partnership provides access to publishing schedules which enables to create a rich library of content. The collaboration is aiming to discover the latest spotlights published by campus+. In addition, MUC will have the chance to publish its recent achievements of SDGs through articles and other kinds of approaches.

- A [protocol](#) was signed with the representative of IEEE to support the coming engineering conferences and to increase the global engagement in research. This protocol is focusing on publishing research outputs related to the SDGs on the IEEE publishing platforms.
