

SMOKE-FREE POLICY

MUC wants to provide a healthy and safe environment for all employees, clients, volunteers, and visitors.

“Smoking” is defined as the inhaling, exhaling, burning, or carrying of any lighted cigar, cigarette, pipe or other lighted smoking equipment. Littering cigarette butts and other smoking-related litter is also prohibited.

This policy applies to all MUC employees, clients, contractors, students, volunteers and visitors, at all times which achieved by:

- Bilingual no smoking signs will be posted and visible at every building entrance.
- Non-compliance of this policy will be brought to the attention of the supervisor for further action.
