

SUSTAINABLE DEVELOPMENT GOALS

4 QUALITY EDUCATION

4.3.1 Does your university as a body provide access to educational resources for those not studying at the university, e.g. computers, library, online courses, access to lectures, etc?

Public Resources (lifelong learning)

Al-Mustaqbal University College (MUC) has several free annual courses offered to the public community during the academic year where it opens its doors to the public: Public Lectures and community educational events. These courses are provided at the campus with the facilities required for the courses such as PCs.

Course 1: Be Professional with Microsoft Office (Excel, Word, PowerPoint) 20-22 November 2021

This course is aiming at advancing the knowledge and experience in Microsoft Office programs (Excel, Word, PowerPoint). The course which is provided by Al-Mustaqbal University College, is free and the participants will have certificates at the end of the course.

Be Professional with Microsoft Office (Excel, Word, PowerPoint)

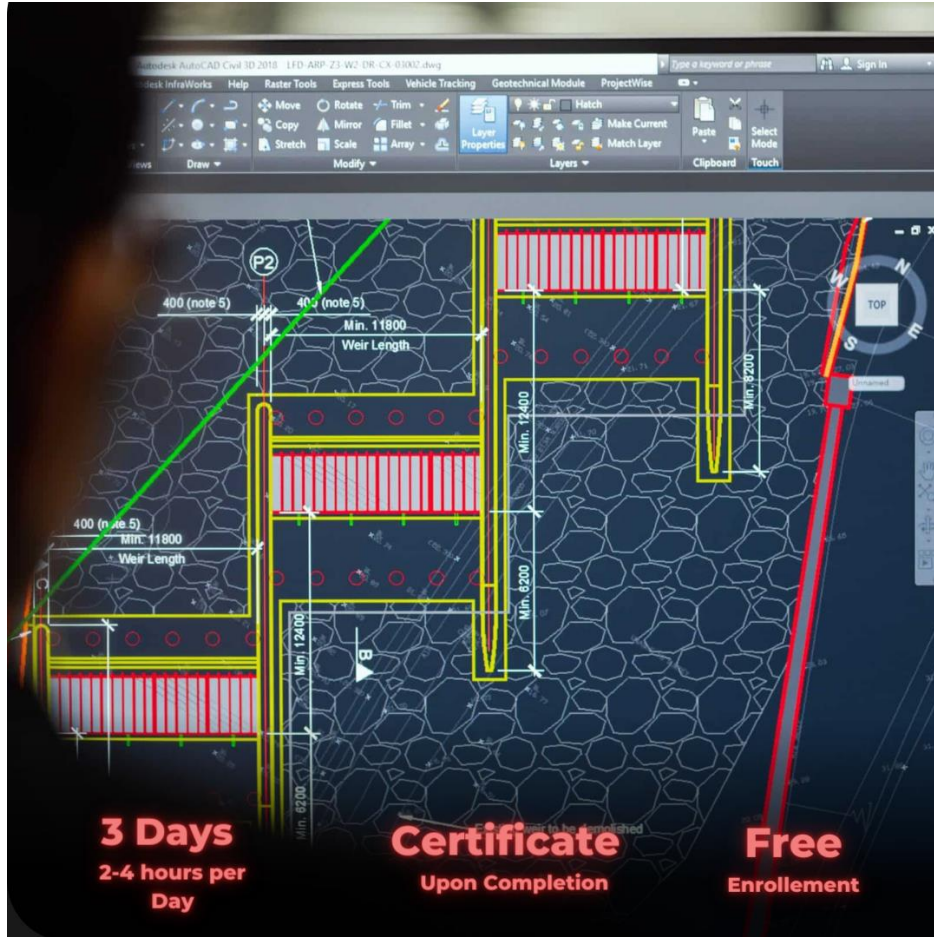

Course Description

This course is aiming at advancing the knowledge and experience in Microsoft Office programs (Excel, Word, PowerPoint). The course which is provided by Al-Mustaqbal University College, is free and the participants will have certificates at the end of the course.
