## Public Events (lifelong learning)

Al-Mustaqbal University (UOMUS) annually organizes several significant events throughout the academic year, inviting the public to participate in enlightening experiences. These occasions include Sustainability Forums and community engagement events, providing a platform for knowledge dissemination.

Among these events, the university hosts Sustainability forums, distinguished by their diverse array of guests, lectures, and workshops. Each year, these forums center around specific themes such as Engineering, agriculture, energy, and Medical Technologies, through these forums, UOMUS not only facilitates intellectual discourse but also strengthens its ties with the community, fostering a spirit of collaboration and shared learning.

## **Al-Mustaqbal University Hosts the Babylon International Forum for Street Arts (Programmed)**

The [Babylon International Forum for Street Arts](#), held at Al-Mustaqbal University, stands as a remarkable gathering that underscores the significance of street arts on the global stage. Under the distinguished leadership of its chairperson and the adept administration of the event, the forum brought together a multitude of nations, fostering cultural exchange and artistic collaboration. Participating countries included Egypt, Jordan, Palestine, Kuwait, Tunisia, Lebanon, Iran, Turkey, Sudan, Algeria, Morocco, and Iraq. The Forum attracted renowned figures from the realm of street arts, further enriching the event's diverse representation.

The Iraqi-Arab Artist, recognized for his outstanding contributions to the field of Iraqi Theatre, was bestowed with an honorary accolade by the College Deanship. This gesture acknowledged his remarkable creative efforts, attracting students and admirers who gathered around him for commemorative photographs.

The Babylon International Forum for Street Arts is set to continue its enriching program until Wednesday, March 15th, 2023, fostering cultural exchange and celebrating the world of street arts on an international platform.

## **UOMUS Hosted a Diabetes Awareness Forum on World Diabetes Day (Programmed)**

In observance of World Diabetes Day, Al-Mustaqbal University organized a significant event, the [Diabetes in Community Life Forum](#), themed "Let's Make the Future Sweet Without Sugar." Held on November 14, 2022, in collaboration with the Babylon Health Department, the forum aimed to achieve the third Sustainable Development Goal. The event encompassed various essential aspects, contributing to diabetes awareness and prevention.

A widespread awareness campaign took place within the college premises, targeting students and guests to raise awareness about diabetes prevention and risk reduction. A comprehensive booklet detailing diabetes and its diagnostic tests was distributed to attendees, fostering understanding in the wider community.

The forum welcomed the Association for the Care of Diabetic Children, highlighting the crucial role of community support in the lives of young individuals affected by diabetes. The emphasis on holistic care and emotional well-being underscored the forum's commitment to inclusivity and comprehensive healthcare approaches.
