

111

- 2 Your teacher will give you some ideas to communicate, but you can't use words! Mime to your partner, and your partner has to guess what they are.
- 3 Read the text quickly and match the headings to the paragraphs.

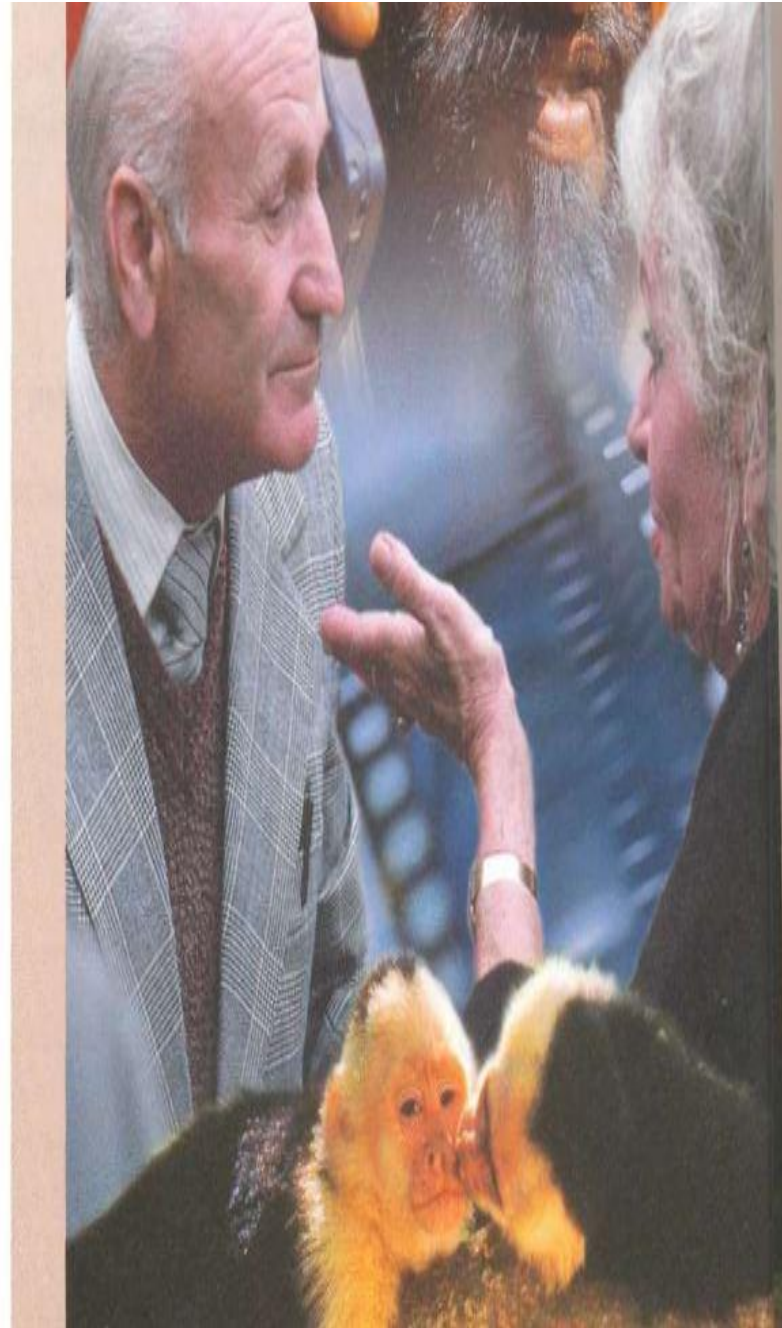

A HISTORY OF COMMUNICATION

HOW WE COMMUNICATE

COMMUNICATION TODAY

**DIFFERENCES BETWEEN
PEOPLE AND ANIMALS**

- 4 Match the pictures on p11 to each of the four ancient societies in paragraph three.

- 5 Read the text again and answer the questions.
- 1 Which animals are mentioned? What can they do?
 - 2 What is special about human communication? What can *we* do?
 - 3 Which four forms of media are mentioned in the last paragraph?
 - 4 What is good and bad about information technology today?

What do you think?

- What can animals do that people can't?
- How do *you* like to communicate?
- What is happening in information technology now?
